PHILANTHROPY

We believe our boys **gain a stronger sense of social responsibility** through serving their communities, while **building self-esteem, a spirit of giving, and deeper family connections** through shared experiences.

GENERAL MEMBERSHIP MEETINGS

Three times a year, our Leagues gather with Teammates and Coaches to **foster leadership, service, philanthropy, mentorship, and community impact** through hands-on projects, special guest speakers, and celebrations of achievement.

TEAMMATE PLAYBOOK

btc Teammates participate in a six-year program, beginning in 7th grade through high school, designed to create **confident young men** who become **leaders** in their communities.

Teams follow the **btc** Playbook that includes:

- Life skills education

Growing Our Mission Nationwide

The continued growth of our organization is essential to expanding our mission and increasing our impact in communities across the country. Each new League brings fresh energy, new partnerships, and additional opportunities to serve those in need through philanthropy, volunteerism, and community engagement.

This membership year marked an exciting milestone with the addition of a new League in Pennsylvania—the very first League established in the state. This achievement represents not only organizational growth, but also the expansion of our mission into new communities where our values of service and support can make a lasting difference.

As we continue to grow nationally, we strengthen our collective ability to create meaningful change, support vulnerable populations, and inspire even greater community impact for years to come.

FEEDING THE HUNGRY

Thank you to our Leagues!

Through the dedication and generosity of our Leagues, the **Feeding the Hungry** initiative made a **tangible difference in the lives of food-insecure and unhoused populations, as well as families facing serious health challenges**. Leagues rolled up their sleeves in countless ways - sorting food, packaging meals, delivering food, preparing snack and lunch bags, organizing food drives, serving meals directly and even farming to provide fresh produce.

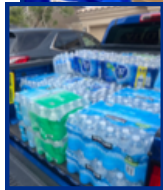

These efforts went far beyond addressing immediate hunger, they **brought nourishment, hope, and relief to communities struggling with food insecurity**. Every League that joined this initiative helped combat malnutrition and provided essential resources to those who need them most.

The collective impact of these actions shows the extraordinary power of our Leagues working together, **creating healthier, stronger, and more resilient communities**.

The following pages celebrate our Leagues' participation in this year's initiative. Enjoy the photos and see firsthand the meaningful and varied ways each League made a difference in their communities.
